Roll-On Bottle Collection

Capacity: 4ml - 15ml

Capacity: 9ml - 10ml

Capacity: 15ml - 60ml

Roll-on balls are available in both plastic and stainless steel. The roller ball prevents liquid from spilling out and when applied on skin, allows the user to administer oils in a smooth line. These applicators paired with any bottle shape or color are absolutely perfect for markets such as: fragrance oils, aromatherapy, & essential oils.

Roll-On Glass Bottles, Capacity: 5ml - 15ml *

Glass Bottles with Orifice Reducers

Capacity: 30ml - 128ml

Our bottles with orifice reducers prevent liquid from spilling out all at once. When a reducer is firmly situated in the bottle neck, liquid slowly exits one drop at a time. Choose from a variety of alternating caps, including our faux leather cap collection.

Glass Bottles with Orifice Reducers, Capacity: 30ml - 100ml *
